Permanent Markers

- You may want to buy extra student supplies while they are on sale. Office supply stores sell pencils in packs of 72. Ensure that your student is prepared for daily lessons by asking about supplies that need to be replenished.
- Please do not purchase book bags with wheels. Second Graders will not take home heavy books and these bags only take up more room in our limited space.
- Novelty pencils, sharpeners and other items are fun in the store but tend to be distractions in our room. Please leave these items at home.
- **Laundry Marker** for yourself for putting names into uniform sweaters, sweats, lunchbags, hats, ect. Permanent marker washes away or is unreadable. Laundry markers are best.

Thank you!
